The Honorable Board of Supervisors

Dear Supervisors:

**APPROVAL OF AMENDMENT NO. 1 TO
HEMATOLOGY/PATHOLOGY SERVICES AND CONSULTATION
AGREEMENT
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

To request Board approval to amend the Hematology/Pathology Services and Consultation Agreement with the Regents of the University of California UCLA Pathology Outreach Services, to extend the term for up to six months.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Interim Director of Health Services (Director) to sign Amendment No. 1 to Hematology/Pathology Services and Consultation Agreement No. H-703102 (Agreement) with the Regents of the University of California UCLA Pathology Outreach Services (UCLA), to extend the term on a month-to-month basis, for up to six months, effective January 1, 2009 through June 30, 2009, for the continued provision of consultation and specialized laboratory services to the Department of Health Services' (DHS) Olive View-UCLA Medical Center Department of Pathology (OVMC), at an estimated cost of \$60,000 for the six months.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended Amendment, substantially similar to Exhibit I, will allow DHS to extend the term of the Agreement with UCLA (currently slated to expire on December 31, 2008) to make it co-terminus with the four other laboratory services contracts (Focus Diagnostics, Inc. [Focus], Agreement No. H-212917, PathNet Esoteric Laboratory Institute [PathNet], Agreement No. H-212918, Quest Diagnostics, Inc. [Quest], Agreement No. H-212919, and USC Clinical Laboratories [USC],

Agreement No. H-212921). The specialized laboratory services UCLA provides, as well as those provided by Focus, PathNet, Quest and USC, are included in the upcoming solicitation for Reference Medical Laboratory Services.

DHS does not have authority to extend the term of the Agreement beyond December 31, 2008, nor increase the County's maximum obligation, without prior approval of the Board.

DHS is unable to recruit qualified personnel with the requisite training, knowledge, certification and experience, nor has the equipment to provide all required medical laboratory services to its patients. DHS depends on this and the other contractors mentioned above to perform overflow and specialty laboratory testing and reporting on client specimens.

FISCAL IMPACT/FINANCING

The County's maximum obligation under this Agreement for the extension period January 1, 2009 through June 30, 2009 will increase by \$60,000 (\$10,000 per month) to \$180,000.

Funding for this action is included in DHS' Fiscal Year 2008-09 Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

For several years, OVMC has utilized the services of UCLA for specialized laboratory testing. Over time, the relationship with UCLA evolved from no cost for performance of services, based on the well established relationship between UCLA physicians at OVMC and UCLA, to a Purchase Order effective June 13, 2007, and to a County Agreement, approved by the Board, effective December 18, 2007 through June 30, 2008, with the option to extend the Agreement on a month-to-month basis for up to six months.

On March 19, 2008, in accordance with the provisions of the Agreement, DHS notified UCLA that the option to extend the term for six months, through December 31, 2008, was being exercised.

Exhibit I has been reviewed and approved as to form by County Counsel.

CONTRACTING PROCESS

DHS is preparing a Request for Qualifications (RFQ) for Reference Medical Laboratory Services, and anticipates awarding new contracts to take effect July 1, 2009. The RFQ will include the services currently provided pursuant to this Agreement.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended action will ensure the continued provision of vital medical laboratory services to OVMC.

DHS requires three signed copies of the Board's action.

Respectfully submitted,
